## GENERAL INFORMATION

**TERMS**—The terms of this sale are cash unless other arrangements have been made in advance with the owners and the sale manager notified. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Ass'n.

**LIABILITY**—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

**FOOTNOTES**—Where footnotes appear, they have been furnished by the consignors. Announcements from the auction block take precedence over data in this catalog.

**REGISTRATION CERTIFICATE**—A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him.

**HEALTH**—All cattle will be T.B. and Bang's tested. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go. If there are exceptions, it will be announced from the auction block.

## Sale Managers Comments . . .

Welcome to the Republican Valley Shorthorn Show and Sale. I join the consignors in inviting you to be in Alma on April 1 to inspect this offering. Although numbers are down for this year's sale, the selection is better than ever and you'll be able to find the kind of bulls and females in the offering that will be a valuable addition to your herd.

Many serious minded cattlemen are taking a renewed interest in the Shorthorn breed. Shorthorn bulls are a natural selection to cross with almost any other breed to improve maternal traits and get that extra hybrid vigor. When those Shorthorn-cross females are added to your cow herd, they'll pay their way in added fertility and mothering ability to wean more pounds of calf.

Plan now to be in Alma on April 1. Come early for the show and spend some time evaluating this offering. If I can be of service in any way, please call on me.

Sincerely,

Dean Jacobs
